

HYUNDAI Ix20 Style **REPAYMENTS FROM Â£139pm**

What a lovely car. This is in excellent order both inside and out. These are a small car but have a higher seating position so if you're looking for something that's easier to get in and out of but still easy to park then come and have a look. It's also fitted with rear parking sensors and so parking is easier too! Hyundai are now thought of as being amongst the more reliable cars on the road and their build quality has come a long way too. It's been fitted with a panoramic glass roof which is a really nice option and wouldn't have been cheap! Well worth coming to have a look. Please call and book your test drive today!
